

Press Release – Friday 26th of April 2013

Nathalie Gateau, Human Resources Director for Euro Media Group.

Euro Media Group, Europe's leading provider of broadcast facilities and services is delighted to announce the arrival of Nathalie Gateau as Human Resources Director.

We are happy to announce the arrival of Nathalie Gateau in the role of Human Resources Director for the Euro Media Group.

Nathalie Gateau will be responsible for defining and deploying Human Resources policy and strategy for the entire Group under the leadership of the CEO, Thierry Drilhon. As a true business partner, she will lead the development and harmonization of the HR processes to strengthen synergies and the communication across countries.

About Nathalie Gateau

Nathalie Gateau holds a Master's in Social Law and is graduated from ESSEC business school. She has more than 20 years of experience at the heart of large companies within different industries, such as Groupe Amaury, Alfa Laval, Fichet Bauche and most recently NRJ Group as Director of Human Resources.

She brings with her, her expertise in managing change in multicultural environments, management of HR development plans and implementation of Talent management policies.

About Euro Media Group

Euro Media Group, market leader in technical audiovisual services in Europe, is present in 7 countries: France, Belgium, the Netherlands, Germany, United Kingdom, Switzerland and Italy.

The Group has developed its technical audiovisual services work by developing unique know-how, controlling every stage in the cycle of image production, processing and transmission. Today it is one of the rare independent service providers in Europe, offering high-tech services both in the capturing of signals (image and sound) and in their management. Euro Media Group boasts Europe's largest number of studios (92 studios) as well as the largest fleet of mobile units (74 mobile units) in Europe.
